Handicaps

On joining the Winter League, your playing section will be determined by players playing handicap. Handicaps will be reduced and increased on the same basis as the normal CONGU rules. Players will not change sections throughout the League season.

It is the players' responsibility to ensure that all cards are properly completed and scores entered into the computer. D D Smith, Jake Riddell and Ewan MacPherson will administer all competitions and handicaps.

All Competition Results and Handicap Adjustments will be posted on the Notice Board.

Course of Play

All rounds throughout the competition will be played over one of 2 courses.

- Course A – is the normal 18 holes, played off yellow/winter markers (SSS 66)
- Course B – is the old course (holes 1-5, 14,15,17,18) played off yellow/winter markers, but completed twice. (SSS 65)
- The SSS may be changed subject to conditions and greens used etc.

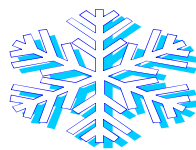

Although all rounds in the League will not count towards your CONGU Handicap, the computer system will be utilised to help administer scores and handicaps.

It is the responsibility of each player to ensure correct score entered into computer and card properly completed.

Points Competition

Points will be allocated to the best 6 net scores in each section on the basis 6 points for 1st position, 5 for 2nd etc., with 1 point allocated to 6th place.

Prize money will be available each week and distributed by the Pro Shop.

Eclectic Competition

The eclectic competition will be run using the sum of the best 18 hole gross eclectic score for each course (ie Score = Course A 18 hole Eclectic + Course B 18 hole Eclectic). Course B scores will only count if this course is used 3 times or more during the season.

Only scores completed on either of these two courses will count towards the eclectic contest.
